

Who should have a copy of my child's Asthma Action Plan?

By *publisher*

Created 06/17/2009 - 20:56

You should give a copy of your child's Asthma Action Plan to anyone who spends a lot of time around your child. Doing this will help to control your child's asthma even when you are not around.

People who should have copies of your child's Asthma Action Plan are your child's:

- teachers
- babysitter
- coach
- dance instructor
- any family members old enough to care for your child
